

# Uke Can Do It

*What will you need? You guessed it! You'll need a ukulele and a tuner.*

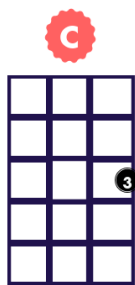

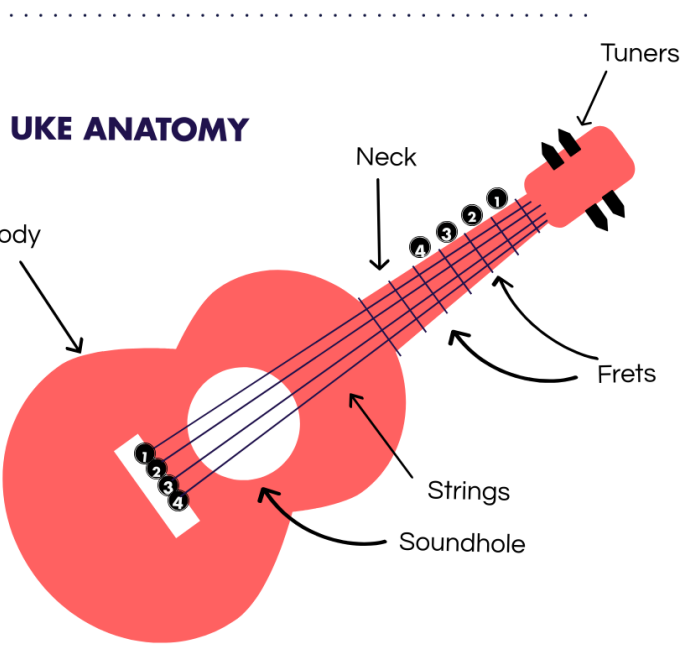

## 1 Tune

You can download a tuning application on your device or use a clip on tuner.

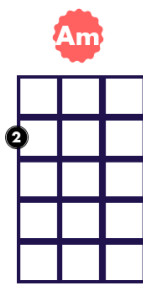

## 2 Strum

There are three different ways to strum: with your thumb, your index finger, or a pick.

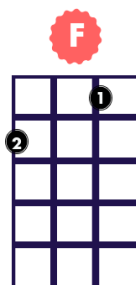

## 3 Chords

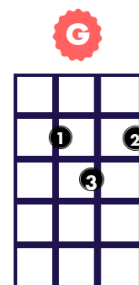

③ Ring finger on the fourth string, third fret

② Middle finger on first string, second fret

① Index finger on third string, first fret  
② Middle finger on first string, second fret

① Index finger on second string, second fret  
③ Ring finger on third string, third fret  
② Middle finger on fourth string, second fret
