Hey Teen Writers,

Looking at the blank page internally screaming in frustration because you are feeling uninspired, unmotivated, and just bleh?

Well, we are here to help. We will provide writing prompts and themes to inspire you to write poetry, short stories, and scenes from a book you haven't started yet. The possibilities are endless.

Down below are two writing prompts, happy writing everyone!

WRITING PROMPT
"MY DOMAIN IS TIME"
SAID THE GENIE,
"INSTEAD OF THREE
