Ice Cream in a Bag

Ingredients:

- 1 cup of half and half
- 2 tbsp. granulated sugar
- ½ tsp. vanilla extract
- 3 cups of ice
- 1/3 cup kosher salt
- Toppings of your choice

Directions:

1. In a small, resealable, plastic bag, combine the half-and-half, sugar, and vanilla. Push out excess air and seal.
2. In a large, resealable, plastic bag, combine the ice and salt. Place the small bag inside the bigger bag and shake vigorously until the ice cream has hardened – about 7 to 10 minutes.
3. Remove from bag and enjoy with your favorite ice cream toppings.
