### Writing Prompts

1. If you were covering the Triwizard Tournament (instead of that awful woman, Rita Skeeter!) how would you do it? Which contestant(s) would you write about? Would you write from the perspective of the students from Durmstrang Institute, and Beauxbatons Academy of Magic? Be creative and consider all sides of the story!
2. Who would you rather write for The Daily Prophet or The Quibbler? Why and what article would you write for them?
3. You are a new journalist and get the opportunity to interview someone who was a part of the Battle of Hogwarts! Write an article/story about the experience.
4. (Not Related to HP) Imagine you are an investigative journalist/reporter for your school. What are you going to report about? Describe your investigation from the beginning to the publication of your story.
