Make your Own Dragon Mask

Dragons are legendary creatures in Asian Folk Tales. Have fun creating your very own mask!

Supplies:

- Markers or crayons
- Construction paper (red, yellow, orange, green)
- White paper plate
- Glue
- Scissors
- Craft stick
- Glitter (optional)
- Hole Punch (optional)
- Elastic String (optional)

Instructions:

1. Color the dragon face and cut it out.
2. Cut the colored construction papers into strips.
(Tip: divide the construction paper into five equal long strips and cut them.)
3. Fold the paper strips back and forth like a fan to create waves.
4. Glue the paper strips around the paper plate.
5. Glue the Dragon face on top of the paper strips.
6. Glue the craft stick onto the back of the paper plate to create your mask.
OR
7. Use the hole punch to punch one hole on each side of your mask.
8. Cut an elastic string to fit around your head. Knot the ends of the string around the mask's side holes.
