### AD-LIBS STORY GAME: Our Love Story

This is a phrasal template story game that can be played with one or two players. Only Player 1 may view the form and template story. Player 1 asks player 2 to supply a variety of different words (see list below) and records each of Player 2's responses in the form.

If you are playing a single player, then you simply record your own responses onto the form without looking at the story template.

These words will be then inserted into the template story that Player 1 may read aloud to Player 2. The random word responses by Player 1 often results in a rather humorous story.

## Our Love Story

When we first met, you looked \_\_\_\_\_ and \_\_\_\_\_. I couldn't believe my  
\_\_\_\_\_! You smelled like \_\_\_\_\_ and walked as graceful as a  
\_\_\_\_\_. I couldn't wait to \_\_\_\_\_ to you.

I \_\_\_\_\_ asked you if I could borrow your \_\_\_\_\_. I could see a look of  
\_\_\_\_\_ in your eyes. You hesitated for a moment, then gave me a \_\_\_\_\_.

I finally got to take you on our first date. I loved spending time with you. You could make me  
\_\_\_\_\_ so easily, like no one had before. When you touched me, I felt \_\_\_\_\_ up  
my \_\_\_\_\_. When you looked at me, I could see \_\_\_\_\_.

I knew we were meant to be together.

After a \_\_\_\_\_ night, I was so \_\_\_\_\_ to bring you home. I longed to  
\_\_\_\_\_ you again. You looked at me and said, "\_\_\_\_\_". That is when I just knew.  
You \_\_\_\_\_ me and I \_\_\_\_\_ you.

Here we are after all this time. It feels like it's been \_\_\_\_\_ years! I look forward to  
\_\_\_\_\_ more. You make me want to \_\_\_\_\_ and I will \_\_\_\_\_ you  
forever. Nobody else could \_\_\_\_\_ me like you do.

\_\_\_\_\_  
\_\_\_\_\_ yours,

Me
