Recycled Tin Can Windsock

Materials Needed

- Clean recycled tin can (any size without lids)
- Acrylic paints
- Paintbrushes
- Glue
- Assorted colored ribbon, yarn, crepe paper, or strips of colored paper
- Masking tape or duct tape

Note: Line the inside rims of the can with one or two layers of thick masking tape or duct tape to avoid sharp edges.

How To

1. Paint can with one color or more
2. Let paint dry
3. Glue colored ribbons, pieces of crepe paper, yarn, or strips of colored paper to the bottom rim of the can
4. Glue ribbon to the top of the can for hanging
