### Snowball Launcher

Ages 5+

Get ready for an epic snowball fight with this snowball launcher! No snow outside? This launcher works well with cotton balls, styrofoam, and even balled up socks!

#### Materials you will need:

- Small paper cup
- Balloon
- Scissors
- Tape

#### How to make your own snowball launcher:

1. Carefully cut the bottom of the cup off, have a grown-up help if needed!
2. Tie a knot in the neck of the balloon
2. Carefully cut the tip of the balloon off
3. Stretch the balloon over the bottom of the cup, this might take a few tries
6. Tape the balloon onto the cup
7. Place your snowball in the cup, pull back on the neck of the balloon, and let go!
