OPEN-RESPONSE QUESTIONS

Tips for this section:

- **All questions must be answered.** Clearly identify which question you are answering before each response. Carefully consider your responses. Some questions only need a paragraph for an answer while some questions should probably be answered with several paragraphs.
- Applicants are welcome to brainstorm ideas with family or friends, but the responses should be in the words of the teen applying to participate in the Business Boot Camp.
- We do not accept applicants working on joint projects. You must have your own original idea.
- Handwritten responses on notebook paper are accepted but please be neat. It is recommended that you type your responses so you can proofread and edit them. Typing your responses also guarantees that staff will be able to read them.
- Include your responses to the questions below with this application. Please include your first and last name on all additional pages.

1. Tell us a little bit about yourself. What do you do in your free time?
2. Tell us about your top business idea. (*You would further develop this idea over the course of the camp.*)
3. What is it about Business Boot Camp that sparked your interest?
4. What do you see as the positives and negatives of being an entrepreneur?
5. Tell us about a time that something didn't work out the way you had planned. What did you learn from that experience?
6. Why should you be selected to attend Business Boot Camp?
