Who are The Friends of the Frisco Public Library?

The Friends are a group of enthusiastic community members who are committed to supporting and improving the programs and offerings of the library.

The group was started in 1992 and has continued without ceasing for over 30 years in four different library locations. The group members have served as volunteer librarians, support for special projects and even helped with the vision for the library as it stands today.

Today, The Friends' members stock and staff the Friends' Bookshop within the FPL for over 50 hours each week, and all money raised from sales of books, games, puzzles and more, is directed toward special requests from the FPL leadership.

The Friends also create an annual collectible Christmas ornament which highlights something special in our community while raising funds for the library.

We welcome all levels of participation from purely financial to in-shop volunteers. The group meets bi-monthly, and membership is annual unless you choose the life-time membership option.

What are the benefits of being a Friends' member?
